Be in the center of it all.

A City on the Cutting Edge

Home of the 2012 Olympic and Paralympic Games, London is a vibrant and cosmopolitan city. England's capital is at the cutting edge of the arts scene and provides access to music, fashion, museums (most of which are free!), comedy, and theater. There are abundant opportunities for enjoying London – with eight Royal Parks right in the heart of the city and more green space than any comparable city in the world.
